Nancy-

I got another call from Senate Indian Affairs Committee, this time Natasha John while Brandon is traveling. They are very anxious to schedule a site tour and briefing. I mentioned that we were still working out site access concerns and availability, but that we were trying to at least find folks who would be available in Durango for a briefing. Can you help facilitate this?

Thanks,

Carolyn

His boss is calling too. We need to get them a final answer today.

They are flying into Durango tonight and will be meeting with the Tribes either way. If there is any way we can at least accommodate a briefing, if not a tour, I think it would behoove us.

I believe they are available between 11am and 2pm.

Thanks.

Nancy/Dave-

FYI, Brandon from Indian Affairs Committee/Sen. Barrasso sent Nichole and I 2 emails that went to our spam folders. I left him a vm earlier to try to determine what they are looking for. I don't want to duplicate what you may have in motion on this so wanted to keep you updated.
